With respect to the above tea samples may be selected and collected randomly from the factory following trustea tea sampling procedure maintaining the confidentiality clause by the testing agency or trustea personnel or CB auditors for the compliance check on non-approved chemical usage. This will be done with prior intiation at trustea's cost and the result will be intimated to the entity as per legal and trustea requirements.

The entity must reply within one week to any show-cause notice raised by tSTF to any serious violation of the code requirement or any reported incident that adversely affects trustea standards.

Any data collected during the whole process of certification maybe used for analysing the trends of improvement, the public claim by trustea, and gaps in the program without disclosing the name of any specific entity.

Note: The issuance of the certificate implies that the entity accepts all the terms and conditions mentioned above.
