Dear Mr. Vasant Radheshyam,

Congratulations! You have been granted Japanese Agricultural Standard (JAS) Certification for the handling of the organic processed food products listed:

Organic Products	Category
Black Tea	Organic
Green Tea Fresh	Organic
Oolong Tea	Organic
White Tea	Organic

Overall, your operation is in compliance with the standards. No compliance issues were noted. However, you must comply with the following requirements:

- You must complete a JAS Grading Report for every lot of products that will be labeled with the JAS mark.
- You must submit the JAS Annual Report by June 30th each year. This must be submitted even if you have no JAS sales.

Your certificate, inspection report, and exit interview are enclosed. Please examine the certificate carefully to be sure that all information is listed correctly.

An organic system plan update is due each year followed by an on-site inspection to verify continued compliance. Your next annual update is due on **December 11, 2024**.
