A verified organization needs to get the existing VC revised through the CB as and when there is either an increase in the production area by 10% or there is a change in the list of verified sources- small tea growers/suppliers.

7. Communication of information and changes

A verified organization needs to inform the Certification Body, without delay, of any changes that may affect its capability to fulfill the trustea requirements. These include, for example, changes relating to

- a. The legal, commercial, organizational status or ownership,
- b. Organization and management (e.g. key managerial, decision-making or technical staff),

- d. Scope of operations under verification,
- e. Major changes to the production unit and processes, and
- f. Inclusion or exclusion of smallholders or leaf suppliers

8. Credibility

Credibility concerns raised on an entity externally or internally trustea welcomes stakeholder feedback and any feedback from credible sources like government agencies may call for information from the certified entities to establish the veracity of the same. Any update on the guidelines and policies of the trustea program can be accessed at <https://trustea.org/guidelines/>.

With respect to the above tea samples may be selected and collected randomly from the factory following trustea tea sampling procedure maintaining the confidentiality clause by the testing agency or trustea personnel or CB auditors for the compliance check on non-approved chemical usage. This will be done with prior intiation at trustea's cost and the result will be intimated to the entity as per legal and trustea requirements.

The entity must reply within one week to any show-cause notice raised by tSTF to any serious violation of the code requirement or any reported incident that adversely affects trustea standards.

Any data collected during the whole process of certification maybe used for analysing the trends of improvement, the public claim by trustea, and gaps in the program without disclosing the name of any specific entity.

Note: The issuance of the certificate implies that the entity accepts all the terms and conditions mentioned above.
